A Government building for Harihar Dispensary.

Mr. J. Kesava Naik, Municipal Member, Harihar, was absent, but Mr. Srinivasa Rao spoke.

Summary of discussion.—The Local Fund Dispensary at Harihar is being held in a rented building situated in an unsuited locality for the past 17 years at an annual rent of Rs. 60. People cannot freely resort to it for medical aid as it is surrounded by plague-infected houses. A proper Government building is very necessary for the Dispensary. The present A.-V. School building which is not sufficiently accommodative for the purpose, may be utilized for the Dispensary and a more spacious building constructed for the school outside the town.

Reply of Government.—This is desirable, and it is a question of funds. The project will be noted by the Public Works Department for consideration.
